

Land Acknowledgement

First, we must acknowledge that Vermont is part of the homeland of the Mohican people and the Alnobak, the Western Abenaki people. We are all part of the circle of creation and the health of our human communities has an impact on all our relations, human and non-human.

We want to take this moment to recognize the land itself, Mother Earth, and the many blessings that we are given. We hope you will take the time to think about your relationship to place and what land means to you.
